

SPRING RELEASE

TWO THOUSAND TWENTY

In 2018 the stars aligned. Lower rainfall totals and moderate summer temperatures, combined with cutting edge farming and winemaking — and you've got a dream vintage! One that walks the line between opulence and elegance. Our dream vintage isn't complete without your continued support. You'll always come first in the Booker family, and this is why we'll continue to commit ourselves to remaining good stewards of the land, and never cutting corners. Thank you for being a part of our journey, we can't wait for you to enjoy the 2018s and all that is to come this year!

Cheers, Eric Jensen

2018 RIPPER \$85

100% GRENACHE

Ripper has a delicate floral nose that is deceptive as the palate is rich and powerful. Stewed cranberries, dry pomegranate, and a hint of black cherry make this an unforgettable vintage.

2018 OUBLIÉ \$75

40% GRENACHE, 30% MOURVÈDRE, 30% SYRAH

At first taste you will never believe this is a 2018. Soft and approachable with dark cherry and vanilla aromas, coupled with blueberries and crushed black pepper on the palate. Each component of the blend seems to fit together like the perfect puzzle piece.

2018 VERTIGO \$75

55% SYRAH, 25% MOURVÈDRE, 20% GRENACHE

Vertigo starts with aromas of spice, dark chocolate and soft purple fruits on the nose. The palate surprises you with a touch of cayenne amongst juicy ripe fruit. We recommend making this your BBQ staple. Pair with pork ribs, bourbon chicken, or “bring on the bacon” to quote our tasting room team!

2018 FRACTURE \$98

100% SYRAH

Deep and mysterious at first sight, Fracture is rich and velvety on your palate. There is an interesting balance of earth and fruit, with traces of sweet beets, dark plums and chocolate. Though this silky wine will pair with anything, our thoughts are going to salty popcorn by the fire or Dutch Gouda cheese with some black truffle mustard.

2018 TEMPRANILLO \$85

100% TEMPRANILLO

Bright ruby color with heavy notes of candied rhubarb on the nose. It is savory with hints of many different spices: clove, cinnamon, nutmeg and some grilled cedar plank. This wine will change your mindset about the Tempranillo varietal; it will drink beautifully now but can age for years to come.

2019 PINK \$30

50% GRENACHE, 35% SYRAH, 15% MOURVÈDRE

Always our springtime and Sunday brunch favorite, the 2019 vintage rocks a beautiful fuchsia color. With a nose full of fresh rose petal and watermelon, there are bright notes of ripe, red grapefruit and Pink Lady apple on the palate. This rosé is dry with a long finish for a “pink” wine!
